## **DUNDRY CE PRIMARY SCHOOL**

### **RISK ASSESSMENT FOR SCHOOL OPERATION FROM SEPTEMBER 2021**

This risk assessment is based on Guidance for Full Opening: [Guidance Schools COVID-19 operational guidance Updated 27 August 2021](#)

Date of Risk Assessment: **1st September 2021**

Signed (head teacher): *AMaggs*

Signed (Chair of governors):

Covid-19 is an illness that can affect your lungs and airways. Symptoms can be mild, moderate, severe or fatal. This risk assessment is for pupils, teaching and support staff and should be adapted by each of MNSP schools. The document must be adapted to reflect the unique circumstances in your school. You need to add any additional controls and indicate who is responsible, by when and indicate when in place (ie you must complete the last 3 columns) There is an expectation that staff will work at a distance from each other and from pupils as much as possible. If staff are working totally alone in the school, please ensure that a lone-working assessment has been undertaken and safeguards put in place for that person. You will need to review other risk assessments you have in place, for example use of equipment and practical lessons.

<p><u>Daily school life</u></p> <p>Mixing and becoming close contacts: You can be a 'contact' with someone with COVID-19 any time from 2 days before they take a positive test or develop symptoms, until 10 days afterwards. Wrap around care will continue without the need for bubbles, but parents will be asked to ensure we have the most up-to-date details on record.</p> <p>Families will be asked to work with Test and Trace and to engage in accessing a PCR test if a child shows symptoms. School will send home any child with symptoms, however mild.</p> <p>Parents will be reminded in a letter at the start of term of the symptoms, how we are mitigating the spread of the virus and when they should book a PCR test. We will also inform parents of who should self-isolate when they become a close contact.</p>	<p>RN/AMM</p>	<p>6th Sept</p>	

	<p>Close contacts or household members of a positive case <b>don't</b> need to self-isolate if any of the following applies:</p> <ul style="list-style-type: none"> <li>● They're fully vaccinated</li> <li>● They're below the age of 18 years and 6 months</li> <li>● They've taken part in or are currently part of an approved COVID-19 vaccine trial</li> <li>● They're not able to get vaccinated for medical reasons</li> </ul> <p>Instead, they'll be advised by NHS Test and Trace to take a PCR test.</p> <p>If 5 or more (or 10% of the school population) test positive in a 10-day period we will follow our Outbreak Management Plan.</p> <p>This may involve the reintroduction of measures such as bubbles, wearing of face coverings or, possible return to remote learning. PHE and BAENS Public Health team would advise the school in such circumstances.</p>			
<p><u>PPE: gloves</u></p> <p>When possible, spillages etc. should be cleared by the cleaning staff. If these staff are not available, then disposable gloves must be worn. Staff will be instructed on how to remove gloves carefully to reduce contamination and how to dispose of them safely.</p>	<p>Staff to be reminded that wearing of gloves is not a substitute for good hand washing and that gloves can also spread the virus. These will be available in all first aid kits and at the first aid stations</p>			

<p>Gloves will be worn for the administration of all First Aid and for support children with toileting, nappy changing etc</p> <p><u>PPE: Face masks</u></p> <p>In non-health care settings there is currently no requirement or guidance for face masks. Those staff who wish to wear a face mask may request one.</p> <p>Staff should remember that current guidance emphasises good ventilation handwashing behaviours above all else.</p>	<p>Face masks will be available in every classroom, from the school office and at the first aid station. Face coverings are 'expected and recommended' in enclosed and crowded spaces where people may come into contact with others they don't normally meet, such as on public or dedicated school transport</p> <p>this means:</p> <ul style="list-style-type: none"> <li>● Staff will no longer wear face masks during school hours, unless advised to do so by Public Health officials, for instance in response to a substantial increase in the number of positive cases in our school</li> <li>● Visitors to site for meetings will be asked to wear face coverings unless the meeting can be held outside</li> <li>● Parents and staff are advised to consider continue wearing face coverings during school pick-up and drop-off times where the playground can become crowded with people with whom you do not normally mix</li> <li>● Parents and visitors will be asked to wear masks at events where groups of visitors are in school together, for instance a sharing assembly.</li> </ul> <p>Frequent reminders in briefings, staff meetings and newsletter</p>
