#### Curriculum Drivers at Dundry Primary School

- Our curriculum is driven by an **ambition** to broaden our children’s **cultural capital**, opening up the world to their inquisitive minds.
- Our curriculum aims to **inspire** our children and is **enriched** through making links, visitors, visits, experiences and opportunities.
- Our curriculum centres on developing our children’s **use of and understanding of the English language**, with explicit and deliberate opportunities to develop **spoken language, vocabulary acquisition** and the study of high quality texts. **Reading for Learning** is central to our curriculum; **Reading for Pleasure** is central to our ethos.
- Our curriculum is underpinned by **meta-cognition**. We teach our children how to learn and how to be independent, curious and resilient learners. We have a progressive curriculum that enables children to use higher order thinking skills to learn more deeply.
