

Dundry C of E Primary School - Personal Development Timetable 2022-2023

A beacon of hope on the hill; A small school making a BIG difference

This overview helps us to plan our personal development for each year group over the year. We include references to SMSC, PSHE, Collective Worship, community projects, trips and visitors, opportunities to perform and opportunities to lead. We also recognise the need to plan for our children's physical and mental health and well-being. Our vision and values help to guide our plan for personal development.

VISION AND VALUES

The Church Of England vision is for **all children to have life in all its fullness, John 10:10**. Our mission statement: **A beacon of hope on the hill; A small school making a BIG difference**, supports all children so they reach their full potential and recognises the importance of us as a school within the wider world and how we can play an important role both locally and globally. This is underpinned by the bible verse: **"You are the light of the world, a city that is set on a hill cannot be hidden". Matthew 5:14**. The Christian ethos of the school is reflected in our shared values and permeates through all aspects of school life and are instilled through a daily act of worship. Our Core Values are: Trust, Hope, Resilience, Joy, Kindness, Respect

Trust: Building a culture of trust, safety and support among our school community

"For God is my strength in whom I trust." Psalm 18:2

Hope: Encouraging faith and love to sustain each other through difficult times

"Be very happy because you have hope. Be strong when you have trouble. Keep on talking with God." Romans 12:12

Resilience: Achieving good academic success and outcomes despite adversity; Keep on trying!

"I can do all things through him who strengthens me." Philippians 4:13

Joy: Our greatest joys in life are related to our learning; inspire the whole child: mind, heart and soul

"These things I have spoken to you, that my joy may be in you, and that your joy may be full." John 15:11

Kindness: A culture of kindness in the classroom encouraging children to become courageous advocates for positive change.

"Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you." Ephesians 4:32

Respect: Valuing everyone and everything and celebrating our differences; knowing our rights and responsibilities

'Treat others as you would want them to treat you' Matthew 7:12
