

Drawing Club

Our books this term will focus on Terrific Tales, with stories celebrating differences and linked to festivals and celebrations.

We will visit seasonal changes through our stories such as hibernation and nocturnal animals.

Children will be encouraged to challenge themselves when writing words and short captions as their magic codes.

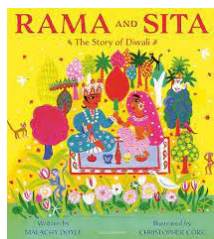

Maths

We will become masters of our numbers to 5, saying what is 1 more and 1 less than a given numbers, and being able to mentally recall composition facts of 3,4 & 5

We will continue practising spatial reasoning skills, continue patterns and talk about the properties and differences between the four regular 2D shapes.

Phonics

We will continue to learn new graphemes and digraphs. We will extend our blending and sight reading when reading short captions and sentences.

Terrific Tales Term 2

PSED

The Jigsaw theme this term is 'Celebrating Differences', thinking about how we are all different, but still special. We will reflect on what we are good at, and what we need to get better at.

We will also learn the words resilience and perseverance and what they mean, linking them to our DLP tortoise friend.

Expressive Arts

As part of our Christmas celebrations, we will act out the Nativity story, learn songs for our performance and get stuck into the messy and glittery craft that Christmas brings!

Understanding the World

We will build on our geography learning, knowing where we live and where the cold places in the world are.

We will celebrate & listen to the stories of the Hindu festival of Diwali and the Christian festival of Christmas.
