

## English/ Drawing Club

We will continue using Drawing Club, introducing the joy of writing to Reception and making sure the expectations are raised for the Year 1's. Some of our

texts include:

## Maths

In Reception, we will be matching, sorting, lots of counting and finger maths this term. Year 1 will begin by recapping number and place value skills learnt last year before moving on to addition and subtraction with bigger numbers. When building our houses in our DT project, we will learn about 3D shapes and the best properties to build with.

## Phonics

Year 1 will be recapping Phase 3&4 before starting to learn new digraphs from Phase 5

Reception will start learning sounds from Phase 2. They will have sound books to practise at home, and we will play games to help with blending words.

Not all  
Superheroes  
wear capes!  
Term 1

## PE & Jigsaw

In PE we will revisit the fundamentals of PE and practise these skills through use of equipment and playing games.

We will play teambuilding games, learning how communication is the best tool to have to work in a pair or team.

Jigsaw this term covers 'me in my world' and we will talk about and establish our class community, creating rules that we all agree with.

Towards the end of term 1 there will be a Phonic info meetings for Reception parents to find out about your child's phonics learning.

## Understanding the World

We will focus on 3 main areas this term –superheroes in our families, superheroes at school, and superheroes that help us such as doctors and nurses who . We will cover the Y1 History, RE and Geography curric by studying a historical person (Florence Nightingale) making maps of the local area and creating our own DT houses and creating our own timelines to help us understand what History means.
