

English/ Drawing Club

We will continue using Drawing Club, introducing the joy of writing to Reception and making sure the expectations are raised for the Year 1's. Some of our texts include:

Phonics

Year 1 will be recapping Phase 3&4 before starting to learn new digraphs from Phase 5.

Reception will start learning sounds from Phase 2. They will have sound books to practise at home, and we will play games to help with blending words.

Maths

In Reception, we will be matching, sorting, lots of counting and finger maths this term.

Year 1 will begin by recapping number and place value skills learnt last year before moving on to addition and subtraction with bigger numbers.

Not all
Superheroes
wear capes!

Term 1

Understanding the World

We will explore us as superheroes, superheroes in our families, at school, and in our community who help us.

We will cover the Y1 curriculum by studying a historical person (Florence Nightingale) making maps of the local area and creating our own moving pictures in DT.

In RE we will explore the question - who do Christians say made the world?

PE & Jigsaw

In PE we will revisit the fundamentals of PE and practise these skills through use of equipment and playing games.

Jigsaw this term covers 'me in my world' and we will talk about and establish our class community, creating rules that we all agree with.
